+44 7795 128316

Passionate and driven Full-Stack Software Developer with over 6 years of experience in creating and deploying high-quality web applications. Proficient in front-end (HTML, CSS, JavaScript, React) and back-end technologies (Python, Django). Successfully led technology strategies at a healthcare startup and optimized production systems in diverse roles. Seeking a position to leverage my skills in a dynamic company.

Willing to relocate to: Buckinghamshire - Oxfordshire - Berkshire
